Department of Veterans Affairs

To Whom It May Concern,

I, **Cynthia Harris**, am writing this letter in support of **John A. Doe's** VA disability claim for **Chronic Sinusitis**. As a co-worker, I have had the opportunity to work closely with John and have witnessed the struggles he faces due to his condition.

Since **May 2018 to the present**, I have observed John experiencing **difficulty breathing due to problems with sinusitis**. His symptoms appear to affect him throughout the workday, often causing him discomfort and making it difficult for him to focus on tasks. I have noticed that he frequently clears his throat, blows his nose, and struggles with congestion, which seems to interfere with his ability to communicate effectively. Additionally, he has mentioned experiencing sinus pressure and headaches, which sometimes force him to take breaks or limit his work-related activities.

John's chronic sinusitis has had a noticeable impact on his daily life and work performance. I have seen him struggle with persistent breathing difficulties, which have made it harder for him to carry out his duties as efficiently as he once did. He often appears fatigued due to his condition, and I have observed times when he had to leave work early because his symptoms became overwhelming.

I am submitting this letter as a firsthand witness to John's struggles and to support his claim for the benefits and assistance he rightfully deserves. I certify that the statements in this letter are true to the best of my knowledge and belief. Please feel free to contact me at **(832) 651-5666** or cynthiaharris@gmail.com if any further information is needed.

Sincerely,

Cynthia Harris
